STARTING FROM SCRAPS

80% Scrap Leather + 20% Natural Rubber

The material used in San Lorenzo's unique line of bags, notebooks, and accessories starts with leather remnants sourced from Italy's renowned leather goods manufacturers. These scraps are then uniformly shredded and blended with a natural rubber for an unbelievably supple renewed material.

CLUTCHES

Firenze

Fabulous Bags. Fabulous Price.

Firenze Clutches are simple and elegant, with a classic design that can transition from a day at work to a night on the town. Whether carrying your daily essentials or organizing tech and accessories, Firenze Clutches are a go-to favorite.
